

Third Pair Assignment

Diego Fernández Fernández and Isabelle Miller

19 Apr 2016

This is an R Markdown document. Markdown is a simple formatting syntax for authoring HTML, PDF, and MS Word documents. For more details on using R Markdown see <http://rmarkdown.rstudio.com>.

When you click the **Knit** button a document will be generated that includes both content as well as the output of any embedded R code chunks within the document. You can embed an R code chunk like this:

Research Question

Our Collaborative Research Paper aims at shedding some light on what the effects of ethnic fractionalization on political rights are. In this sense, we have two main hypothesis:

H1: The more ethnically fractionalized a country is, the higher its negative impact on political rights if income inequality is high.

H2: When income inequality is low, the impact of high ethnic fractionalization on political rights is expected to be positive.

For more information regarding the theoretical underpinnings of our research proposal, you can have a look at

```
summary(cars)
```

```
##      speed      dist
##  Min.   : 4.0    Min.   :  2.00
##  1st Qu.:12.0    1st Qu.: 26.00
##  Median :15.0    Median : 36.00
##  Mean   :15.4    Mean    : 42.98
##  3rd Qu.:19.0    3rd Qu.: 56.00
##  Max.   :25.0    Max.    :120.00
```

You can also embed plots, for example:

Note that the `echo = FALSE` parameter was added to the code chunk to prevent printing of the R code that generated the plot.
